Narrative

Driver of Vehicle 1 (Whitfield) stated she was traveling westbound on Maple Grove Drive with a green light when Vehicle 2 (Hernandez) entered the intersection northbound on 4th Avenue without stopping. Vehicle 2 struck the DRIVER-SIDE front door and fender of Vehicle 1 at an estimated 30 MPH. Driver of Vehicle 2 admitted he believed the signal was yellow and accelerated to clear the intersection. Northbound signal phase confirmed RED at time of collision via intersection signal log. Driver-side window of Vehicle 1 shattered on impact; glass fragments observed throughout driver-side foot-well. No injuries reported by either driver; both refused medical transport. Vehicle 1 sustained damage to driver-side front door, driver-side fender, driver-side window, A-pillar trim, and driver-side mirror. Vehicle 2 sustained damage to front bumper cover, grille, and right front headlight. Both vehicles remained drivable. No tow required.

Determination of Fault

Driver of Vehicle 2 (Hernandez) — at fault per officer determination and intersection signal log.

Citation issued to Driver of Vehicle 2 for disobeying a traffic control signal (625 ILCS 5/11-306).
