REPORTER	Jordan Avery
LOSS DATE / REPORTED TIME	2026-10-14 / 06:30
NOTIFICATION RECEIVED	2026-10-15
ALLOCATED ADJUSTER	Elena Brooks

Account supplied at notification

The workshop manager reported water at the north wall and low-level wetting to cartons stored beside it. A later contractor proposal was supplied as a PDF attachment to an email. The manager describes rainfall, while the contractor mentions a possible local pipe issue. No cause has been established.

Information is recorded as reported and remains subject to verification. No admission of liability, coverage or valuation is made.
